Homecoming at Rosemead High School brings fun for students, enjoyment for faculty and excitement and anticipation for the nominated princesses. The week commenced on Monday when students walked into school to find banners and streamers lining the halls. Clubs on campus designed all the posters to decorate the school. Noontime activities included "Best in Bed", an obstacle course, a lifesaver pass, tricycle race, egg drop, and a pep rally on Friday to complete the week's events. Friends could send each other homecoming grams to brighten their spirits. Then on Friday night, the Panthers came out to play the El Monte Lions and emerged victorious with a score of 8-7. At half time, the Homecoming queen was announced and Miss Martha Espinoza was crowned by former 1984 queen Cindy Young. The floats created by each graduating class paraded by with the freshman float representing America and the Statue of Liberty winning first prize. Fireworks ended the halftime activities as the queen and her court were seated on the field to watch the remainder of the game. Following the game was the annual Homecoming dance which showed a good turnout from students and alumni.

1. Rosemead students show their pride.
2. Candy and Anthony wonder who will win the battle.
3. Princesses enjoy the activities during lunchtime.

RIVALRY GAME

On October 25th Rosemead played one of its traditional rivals, Arroyo High School. Over the years Rosemead had won 15 games out of 26 from Arroyo High School in this rivalry series. This years game featured Arroyo, a team that was not only undefeated in six games but ranked in the top three teams in the local area. Rosemead's team had one week earlier beaten El Monte and were hoping for an upset of Arroyo.

The Panther defense played well forcing an Arroyo fumble early in the game but the offense was unable to score and with only one minute Arroyo scored on a touchdown pass to lead at the half 7 to 0. Coming out in the second half, the teams both stymied each other and were unable to score. Rosemead's defense played superbly, consistently holding Arroyo while Rosemead's offense was unable to mount an effective drive. Arroyo went on to score a field goal in the closing minute to win 10 to 0.

Rosemead was successful in holding Arroyo to its lowest point total of the season and could take pride in playing well overall, particularly on defense.

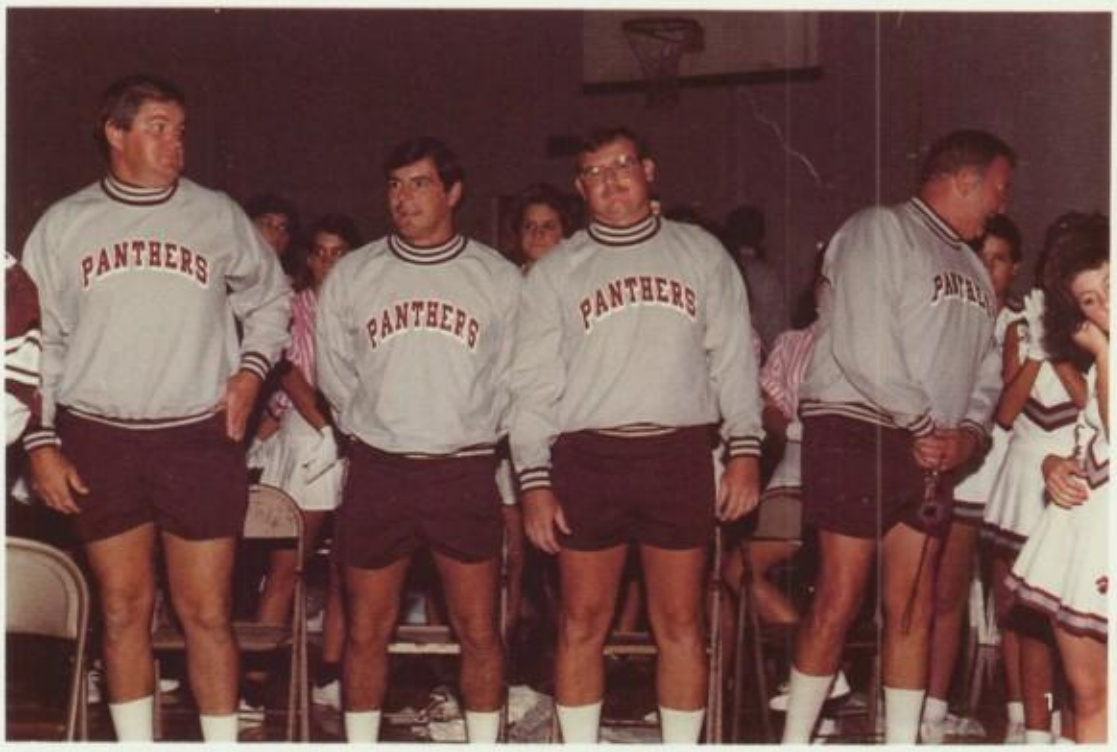
INVASION OF THE BLEACHER CREATURES

At Rosemead, the largest pep assembly we have to kick off the new school year is the "Big R". The assembly generally promotes spirit and energy throughout the student body as classes unite to cheer on their graduating year. During this assembly, fall sports including Football, Tennis, and Cross-Country teams are announced. The auxillary, ranks, and cheerleaders gave us a fine performance. Our mascot, Patty Panther, made her debut during the assembly. She is full of spirit and enthusiasm. Patty Panther gave us a wonderful performance during the pep assembly. She is a great addition to the terrific cheering squad of Rosemead.

What did the students think of the "Big R"? As Chris Jimenez put it, "I believe the assembly had its good moments and it will get better as the years progress." Judy Solis quoted, "The assembly was fun except for the seating arrangement. It would have been much better if we got to sit with our graduating class." Royce Campomanes had this to say, "The assembly was good but I think more people should get into the Panther spirit." Nancy Ho says, "I thought the 'Big R' was fun especially having to get out of class and joining my friends in cheering for the class of '88."



1. "What time is the game?"
2. "Hey, where did all the guys go?"
3. Rosemead Panthers showing school spirit!!!

GET INTO THE GROOVE

Music, ah music! Songs to my heart. Does any particular tune ring in your ear when you hear that word? Maybe a favorite group or a recently attended concert? Well, at Rosemead High, musical favorites vary, and might include Duran Duran, the Beatles, Ratt, Go West, U2, Depeche Mode, Wham or maybe even GBH. It's not hard to distinguish whose favorite is whose. A mere glance around campus and you'll easily find students flashing their faves on shirts, folders, pins, purses, or possibly on their car license plates! No particular type of music really dominates the music scene. It all depends on one's taste.

Concerts really help a group become known. Obviously many groups have gotten their needed support from fans, both old and new, by doing concerts in local arenas. Who could forget the night they camped out for those sacred Springsteen tickets? Or all the hassle to find someone to graciously give them a ride to the concert site, or a softy to sell them their Duran tickets? All and all, music alone makes a special mark in history and everyone's life. Music projects style, attitude, fashion, and also support during those "worst days of your life". So, whenever you hear that certain song that reminds you of someone or something special, think of all the memories that song holds, and smile a little.

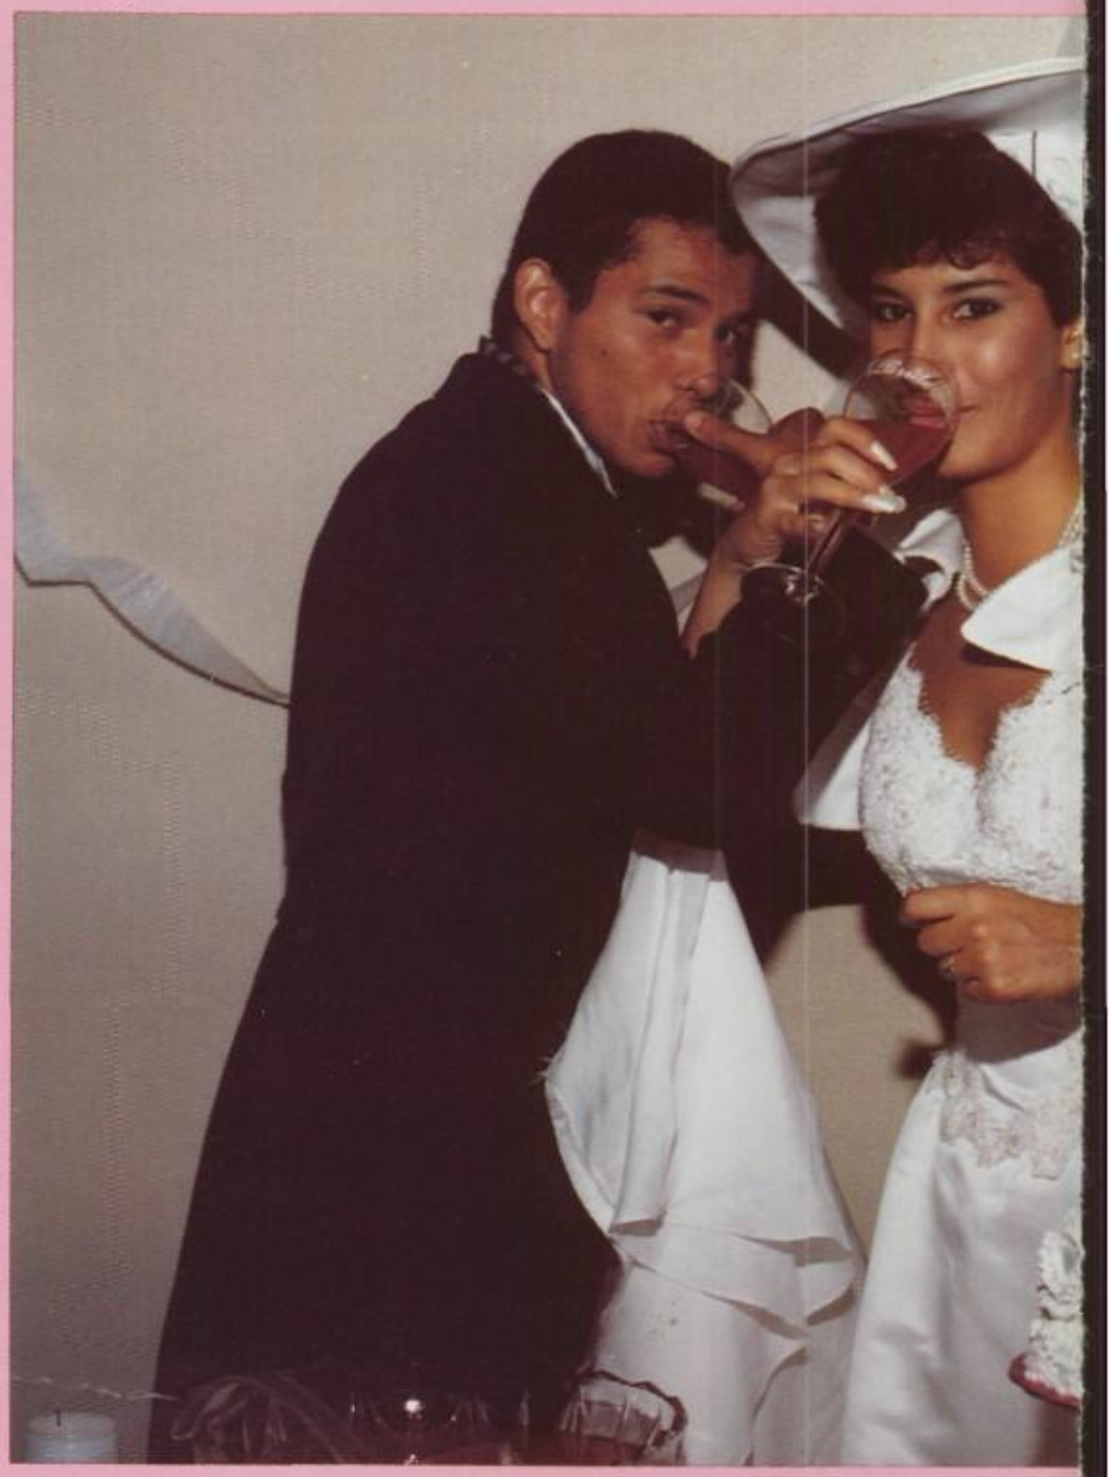
7. "Yep, this here is my Boy!"

Tying The Knot

"I now pronounce you man and wife." Those words, uttered on October 3, 1985, joined Sebastian Reyes and Linda Bustillos in the "bonds of holy matrimony." Well, not really. The wedding, held in the Rosemead High School auditorium, initiated the beginning of "married life" for the students in Mr. Andrew DiConti's Personal Finance Class. This class, as the name implies, teaches students how to plan financially in this new situation of providing for more than oneself. Such planning may include the purchase of a home, car, jacuzzi, and all other such necessities. It places them in everyday type situations which are encountered in marriage. In other words, these students learn what it takes for a marriage to be successful, both financially and emotionally. So when the time comes for them to truly walk the straight and narrow, they may be all the better prepared. The wedding and following reception that began it all required a great deal of planning and hard work. There were tuxedos to be ordered as well as the gowns, and the reception to be organized. But who said that marriage was going to be easy?

1. It's happiness and joy — for now.
2. Mr. DiConti thinking about the couple's future.
3. The bridesmaids showing off their gowns.



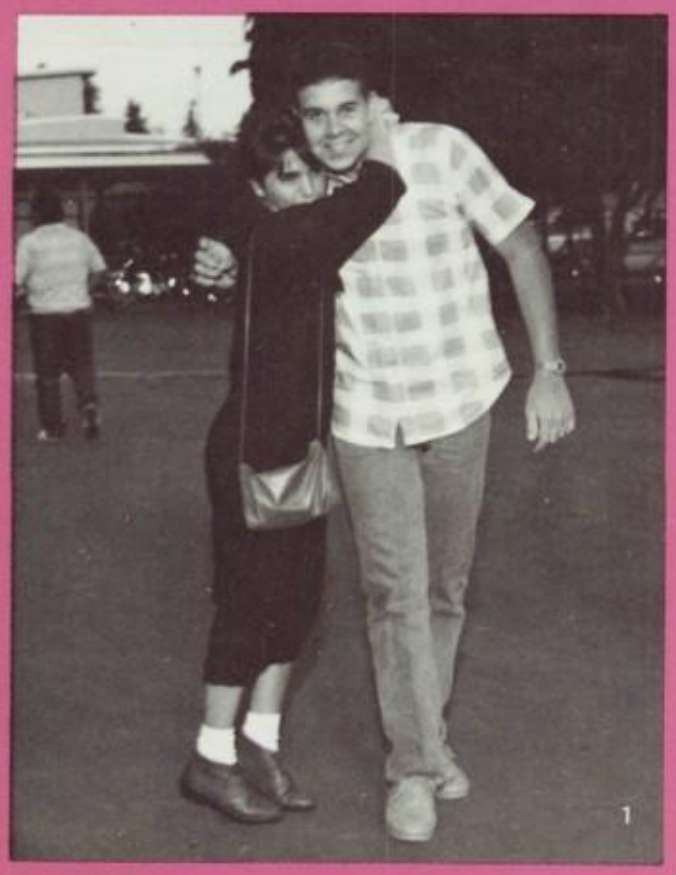
1. Rita Sandoval sends off Linda Bustillos to her wedlock.
2. The members of the wedding party were: Steve Giannini, Mike Luevano, Roman Esparza, Eric Espinal, John Paulovich, Sebastian Reyes, Linda Bustillos, Rita Sandoval, Lisa Maslach, Lisa Thompson, Linda Gonzales, and Sandy Cunningham.
3. "With this ring I thee wed . . ."

WITH A LITTLE HELP FROM MY FRIENDS

There are some things that are absolutely necessary to get us through high school: Money, a pet who is a great listener, and a good friend. Friends are by far the best things in the world. Without them we wouldn't get those special hugs at just the right moment, homework to copy when our "dog" ate ours, or someone to laugh hysterically with for no apparent reason. Another big part of high school life are fads that are popular with the students. Fads on campus ranged from music trends to fashion to modes of transportation. Music boomed out into 1985 with new wave sounds to heavy metal beats.

Fashions showed us the dying of "Madonna" lookalikes to the new paislies, oversizeds shirts and antique jewelry and brooches. Modes of transportation brought us vespas, scooters, and ten speeds, while cars were still ever popular ways to get around. They seem to be constantly changing and you have to be really "with it" to keep up. We go through many different types of friends during our four years in high school. Each are special in their own ways, and each have different ways of expressing themselves to you, like for instance hugging each other and handshakes which is better then giving each other kisses or hugs. High school life can be fun, exciting, confusing and downright depressing. But with the help of our friends we all seem to survive our minor problems and have someone to tell our triumphs and secrets to.

1. Some of the stylish students at RHS.
2. Marty, Eddie, and Richard think their style is number one.
3. One of the hot, new ways of transportation around town.



1. "Val, not in front of everybody!"
2. What would we do without the happy faces of Jodi and Rowena to brighten our days?
3. Students show their flair for fashion.

A SENIOR'S DILEMMA

Some of the most common dilemmas among seniors include anything from taking the SAT to deciding which college to go to or going to work. A dilemma is described in the Webster's dictionary as "a necessary choice between equally undesirable alternatives." Seniors must decide if they want to go to USC, PCC, USD, or UCB. They must prepare to take the SAT, ACT, or the TWSE. Not only that, seniors must put up with the parental pressures like: cleaning your room, doing your homework and the ever popular "when you get older you'll understand." Seniors have to also deal with work whether their job is pushing burgers at a local hang-out or a sedentary job in an office. Remembering our ASVAB test makes one wonder what would be the best type of job for us to go into. But one step at a time we muddle through and in June we look back and those problems aren't dilemmas any longer.

GIRL'S LEAGUE SERVES

GUN AND MATH CLUBS COMPETE

Girl's League is one of the service clubs on the Rosemead High School Campus. The main goals of the club are to give service to the school, community, and to have fun. Some of the many activities that Girl's League are involved with are the Annual Backward's Dance, All Club Food Sale, Christmas Basket, visiting convalescent homes and holding banquets honoring our Varsity teams. The club is not all work and no play. During the summer the club plans to go to Catalina Island and spend time basking in the sun. The sponsor of the club was Mrs. Rosa Rangel.

Numbers, Numbers, Numbers!!! That's what the Math Club is mainly involved with. This new club on campus competed in different math competitions during the year. Some of these competitions included the California Math League and the National Math League. In these competitions, the Math Club got a chance to go against thousands of schools across the nation. ON CAMPUS CLUBS

CULTURIZE AND DRAMATIZE

The Stage Crew is a group seldom seen by the audience although they are involved in every show at the Rosemead Auditorium. Most of their work is behind the scenes, building sets, setting lights, sound and special effects. Under the direction of Mr. Alex Malinowski, the stage crew did performances such as the Christmas Concert and the all school play "Life with Father" and numerous major productions.

The International Club is made up of approximately thirteen members. The goal to be accomplished was to raise enough money for an active International Club member to be sent to a foreign country. Officers included Melinda Ortega and Mike Jarrard. Fund raisers consisted of selling Panther hats and candy canes, which turned out successfully. The year ended with a trip to Catalina.

The Spanish Club is a club founded to develop a better understanding of the Spanish culture. The President of the club was Oscar Gonzales. The club participated in a fund raiser which went towards the Mexican earthquake victims as well as the Columbian volcano victims.

FROM DANCING FEET TO MONDAY MORNING NEWS

RHS IS READY TO PERFORM

"Good morning and welcome to this edition of the Rosemead Report. Top headlines are . . .". Sound a bit familiar? It should because one can hear these exact lines every Monday morning during second period; and what better way to kill time in class than by watching the news? The Rosemead Report team works hard each week to bring you all the latest school news/events, sports, and whatever happenings an RHS student may need to know. The news also helped a few students wake up with its loud theme song! Could this production team be holding the next Walter Cronkite or Jane Pauley with Brian Tatosky or Judy McGinley? Only time will tell!

A new set of dancing feet has hit the grounds of Rosemead High. This new group, called Folklorico, was sponsored and started by Ms. Angelita Gonzales. Folklorico concentrates on regional dances from Mexico. Although they didn't perform in any competitions, they did present a performance on RHS' History Day and on Cinco de Mayo. The members of Folklorico put a lot of extra hours after-school and dedication into their dances with the help of their teacher, Mr. Robert Hernandez. They also raised money to keep the club alive which Ms. Gonzales hopes will help Folklorico to continue for more years to come.

Dance Production, which was headed by Ms. Barbara Robbins, was unable to perform their annual dance concert due to the lack of dancers and experience. Even with the early signs of a small, inexperienced dance club, things looked as if the dance concert was going to pull through with the help of dancers outside the club. Unfortunately, many were unable to participate thus cancelling the concert. Nevertheless, the club worked on new formats and ideas to prepare for future concerts. Ms. Robbins adds, "I'm hoping next year's dance concert will incorporate a lot more livelier aspects with dance, including singers and possibly bands."

STUDENTS CONVENE FOR
INTELLECTUAL ENLIGHTENMENT

The Academic Decathlon Team sacrificed many hours in order to prepare for the competition. There were ten subjects which included science, math, economics, language, literature, fine arts, history, speech, a novel, and a superquiz. At the competition in November, the team did very well, even though it was handicapped by the last minute loss of one member. Some of their activities included visits to art museums, colleges, and the U.S.C. Oceangraphic Institute on Catalina, and a trip to the East Coast.

The Computer Club participated in a variety of computer activities. They wrote computer Christmas carols and contributed canned food to needy families. The highlight of the year was when Don Johnson and Philip Michael Thomas came to speak to the club on the topic of "High Technology in Hollywood."

The California Scholarship Federation is one of the academic societies on campus. It's purpose is encouraging further education for highly qualified students. CLUBS SHOW
DIFFERENT MEANS OF COMMUNICATION

On the date of December 20, 1985, harmonious voices could be heard from the Rosemead auditorium. What was this familiar sound? It was none other than our very own Acappella Choir. The Acappella choir consists of: The Music Company, and this year two new groups were added: the Harmoni-Kats and the Sophisti-Kats. The choir in general has spent a very busy year performing for the school and the community. Other activities included Pops concert, musical "Lil Abner," and hosted the SCVA Festival. The instructor responsible for our choir was Mr. Larry Callahan who was instrumental in the form and the overall quality of the tone.

FROM INTERNATIONAL RELIEF TO AIDING STUDENTS,

CLUBS LEND A HAND

The Foreign Exchange Club is an organization on campus that devotes much of its time to raising funds for international causes. One of the club's major fund raisers each year is for the purpose of fighting famine in Africa. Students are asked to abstain from food for one day and donate the money that would have been spent feeding themselves. In this way, not only is money raised for a most worthy cause, but for 24 hours one experiences, and hopefully understands, what others in poverty-stricken countries go through for most of their lives. As the Foreign Exchange Club's president, Jane Kim, aptly put it, "The main purpose of the club is to establish better international understanding."

Rosemead High School's library club, Panther's Scroll, consists of students who wish to learn about the workings of our book-lending institutions. They do so under the guidance of the librarian, Mr. Clifton, and by visiting libraries in this area. Like all other clubs, they hold fund raisers, and this money goes towards purchasing new books and generally improving the library.

The members of Penopsis work toward one goal — the production of the school's literary magazine of the same name. This magazine showcases the best artistic works of Rosemead students in the forms of poetry, short stories, and drawings. All are welcome to contribute to the anthology.

A few dedicated souls possess the noble desire of helping their fellow students — and earning a little money. They are members of the Sophomore Tutoring Program. As the name implies, they tutor sophomore students in those subjects where assistance is needed.

ROSEMEAD STUDENT's
COMMITMENT TO EXCELLENCE

Carol Yin has been named a Finalist in the 31st annual National Merit Scholarship Program. Each October the NMS Corporation conducts a qualifying test (PSAT/NMSQT) that is given to Juniors. The students who score in the top half of one percent in each state become Semifinalists and are able to compete for Finalist standings. Says Carol, "To tell the truth, I was surprised when I found out I made Semifinalist." On Thursday, February 13th, Carol Yin was notified by Dr. E. T. Irvine that she had made National Merit Finalist.

The Presidential Academic Fitness Award is a prestigious honor given in recognition to those students with a high grade point average, 80% on the Scholastic Aptitude Test, and are enrolled in college prep classes. These students will receive a certificate from President Reagan, an academic varsity letter and a Prestidential award pin. Their pictures will be displayed in the guidance office during the 1986-87 year. These recipients are also recognized at the end of the year in the awards assembly.

Sagaths is a girls service club on campus. Each semester, they accept new members by initiation. Some of the service activities they do, include giving dinners to the football team and wrestlers at the end of each semester and helping senior citizens and the needy in the community. Like all other clubs, Sagaths holds a few fundraisers. This year they sold candy, pins, and washed cars. Their hard work is for a good purpose, for the money earned goes toward a trip at the end of the year.

Pantheresses is another girls service club which has done a great deal for school. One of their many activities this year during the football season, they sold candy grams. This club is under the direction of Ms. Linda Rasmussen who in the past was also a member of Pantheresses. The girls are dedicated to serving the school and community.

HOORAY, HOORAY!

PANTHERAMA STAFF FINISHES AT LAST!

There must be no other group of students who are as different, wacky, and as off beat than those found on the Pantherama Staff. A relaxing stroll to good old room 91 can prove this statement to just about anyone. Where else can you find the following: Dennis glowing in one corner; Vanessa acting like a true Mama Hen; Stacy and Linda conversing to one another until their adventures die out; Suzanne, Miss America, trying to con innocent youths to take a walk with her; Corey keeping your burgers cold; Joy talking endlessly about the guy of her dreams and Kim patiently listening while rolling her eyes; Judy threatening you with her looks; Donna wearing only ripe fruit; Irma getting Mr. Boyd to write her mom love notes; Rowena screaming and laughing from the top of her lungs; and Tam getting envied looks from those around him for his so wanted Robert Redford t-shirt. Finally, Mr. Robert Boyd, just sitting and relaxing. Wow, living each school day just would not be the same without his wit and winning charm. Ah yes, one way or another the yearbook was able to be completed through all the idle chit chat, wall writings, frustrations, laughs, threats, and the ever present pressure. We all hope this yearbook will be as much fun for you as it was for us making it!

EXTRA, EXTRA, READ ALL ABOUT IT!

PANTHER'S TALE BRINGS 'EM HOT OFF THE PRESS

If you decide to walk among the halls of RHS during fifth period, you will witness an amazing phenomenon. During this hour, members of the award winning Panther's Tale newspaper staff can be seen flitting around gathering information, busily typing a story in the back of room 18, or sitting staring into space trying to think of a headline. This 13-member group, advised by Mrs. Marjorie Bortz is responsible for printing the weekly RHS newspaper, writing the stories, thinking up headlines, pasting up the pages, and making deadlines.

But this group firmly believes in the old saying that "all move and no play makes Jack a dull boy." On their "dead days" when nothing is to be done, the staff enjoys having banana split parties, potlucks, or simply sitting around gossiping about various happenings. This year's staff is very special as they get along so well, Mrs. Bortz describing it as "a remarkable blend of personality types."

This year's editors were Chris Eftychiou, Audrey Brown, and Judy McGinley.

Members of the Panther's Tale were: Top row: Mary Janecky, Audrey Brown, Judy McGinley, Carol Yin. Middle row: Suzanne Vaught, Melinda Benavidez, Mrs. Marjorie Bortz, Ilda Jimenez, Keisha Soliz. Bottom row: Chad Grover, Mike Eftychiou, and Mike Jarrard.

GIVE ME A "D" FOR DEDICATION

Unity and dedication is what made this years J.V. team. Cheering at football and basketball games is what made the year exciting and worthwhile for all seven girls. Captain Nicole Phenning replied "We at the first of the year had some ups and downs, but at the end of the year we pulled together." Being a cheerleader to some can be a girl's dream but ask any of the J.V. cheerleaders and they'll tell you its not all fun and games, its plenty of hard work. Getting the crowds attention is what makes the cheerleaders proud to represent Rosemead.

Sportsmanship, poise and personality are just a few things that made up Frosh/Soph cheer. Their dedication was proven in their excellent performances. Whether its cheering for the team or just working hard for competition, Frosh/Soph always gave their all to promote spirit for RHS.

CHEERLEADERS AROUSE ENTHUSIASM

With lots of hard work and practice, the Rosemead Varsity Cheerleaders were full of spirit. Going to camp made this year a lot easier, with learning new routines and becoming close to teamates. The annual Big "R" assembly proved to be very successful because students participated in events. Varsity Cheer and Patty Panther (Yumi Watanabe) made this year very rewarding by going to competition at various schools. Cheer also does extra activities, such as car washes and candy sales. Despite of all the hard work they put in, all nine girls agree that cheerleading is an experience they wouldn't want to miss on. When the crowd cheers along raising the spirit high, the Rosemead Varsity Cheer realized how proud they were to keep the Panther spirit alive.

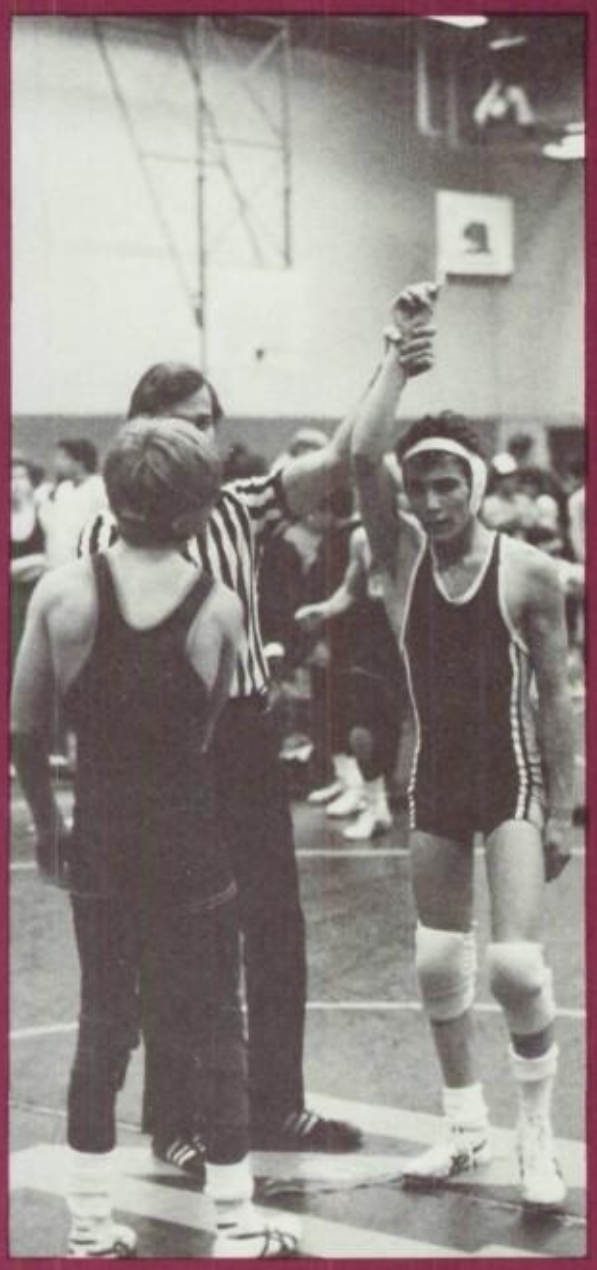
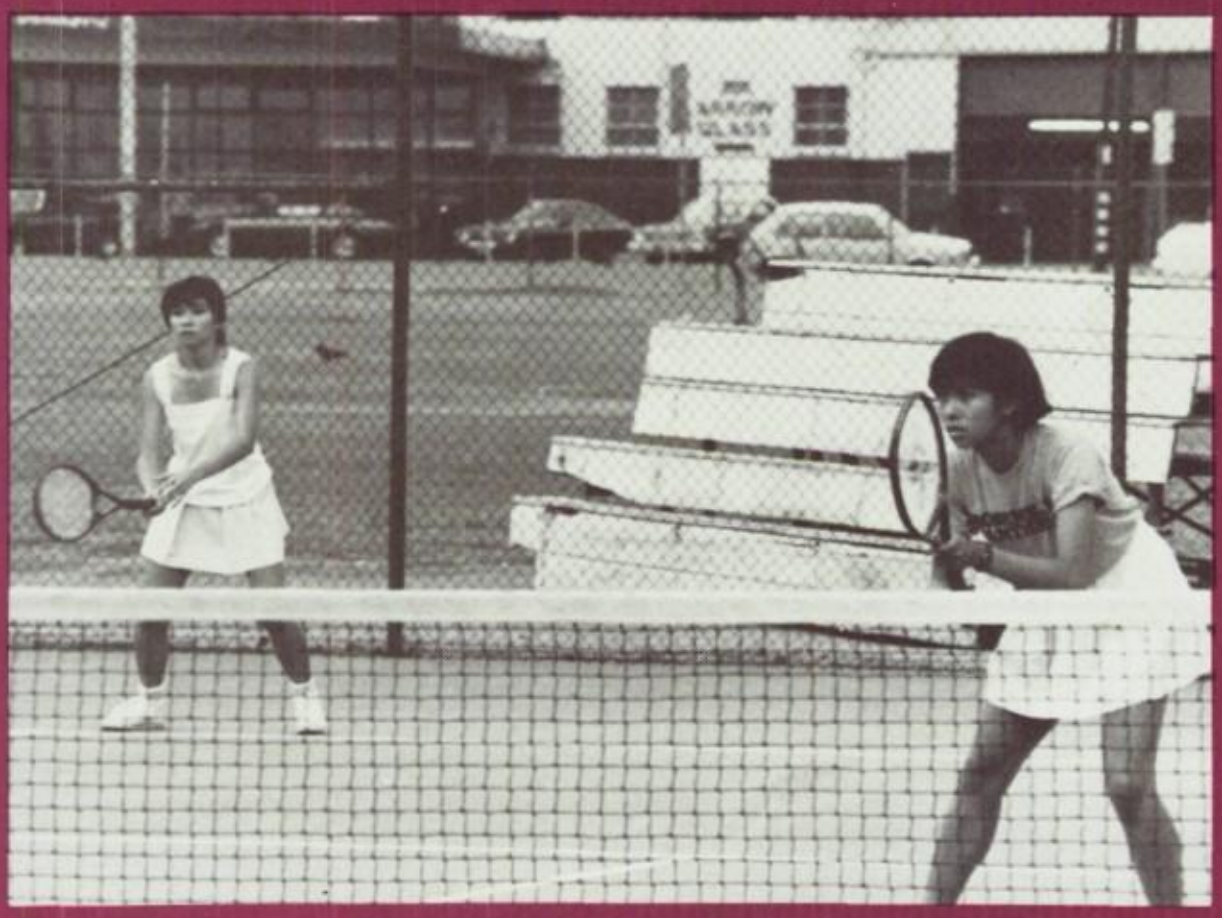
SPORTS





VARSITY FOOTBALL ADVANCES TO THE PLAYOFFS

Playing an extremely tough preseason schedule, the Varsity started the season with a one win four loss preleague record. How tough the preseason schedule was became apparent as all of the teams played became highly ranked in their conferences or advanced to the playoffs. As the campaign progressed the team had been adjusting players into different positions and had steadily improved its defense.

Defense was to play an important role in Mission Valley league competition. Despite losing a hard fought 10 to 0 loss to Arroyo, the team had realized that it could do well in its remaining league games. The team had three successive league wins starting with a win over El Monte which wasn't decided until the closing seconds. The Panthers proved to be tough playing before Homecoming Games as they spoiled both Mountain View and Duarte's Homecomings. The win over Duarte was important in that Duarte was the league's first place team. Playing well, the defense had a string of seven scoreless quarters while containing Duarte, who up to that time, had led the league in scoring.

The last league game proved to be disappointing as Rosemead fell to Mark Keppel. A win would have enabled them to be co-champs while the loss placed the team as the league's second place finisher in the CIF playoffs. The Panthers played a very young team made up of a number of juniors and sophomores starters. The traditionally tough defense highlighted this 1985 season. The captains of the team were Henry Chavez, James Banuelos, and John Bush.

The Varsity Wrestling team hoped to defend their last years league championship as many veteran wrestlers returned. Coached by Mr. Louie Madrigal and Mr. Gilbert Adame the team continued the winning traditions of the past teams. Captains of the team were Marty Kouyoumitjian and Eric Espinal. Competing in some tough invitationals the team consistently placed highly. VARSITY STUNS LEAGUE CHAMPS

The Varsity basketball team started the season optimistically with a number of key players returning. The team was much improved over last season, as demonstrated by their first tournament championship, the Flintridge Prep Tournament, in 10 years. During Mission Valley League competition, the team lost a few key games by close scores. Rosemead was the only team to defeat the league champions, Mountain View High School, both times in which they met. In the first meeting of the year against Mountain View, the game ended in overtime which Rosemead won by the slim score of 56-55. They also defeated arch-rival Arroyo High School in both meetings — a feat unaccomplished in over 20 years. The varsity team was ranked as high as 8th in the San Gabriel Valley by the San Gabriel Valley Tribune. Their record of 12 wins and 9 losses was the best record for a Rosemead team in recent years. Some of the outstanding individuals included junior Mike McDonald, who led the West Valley in scoring, and Mike Fromme, who was also 6th in scoring. Starting guard Larry Samarzich ranked among the top five in the Valley all year for assists.

Under the guidance of second year coach Mr. Tad Douglas, the team amassed an overall record of 15 wins and 5 losses, including a league record of 9 wins and only one loss. Probably the team's toughest and most exciting game came against the Duarte Falcons. Everything was at stake, for the victor of the game would be the Mission Valley League champ. It proved to be the exciting game it was expected to be, as both teams fought it out in a see-saw-type battle with neither team leading by more than four points. At the game's conclusion, Rosemead came out on top by a score of 75 to 62. A few of the outstanding players throughout the season were Miguel Flores, Albert Rodriguez, Walid Ashranfid, and Rick Busch.

1. Reach high for your goals.

Among all of their exciting games was the game against Arroyo High School in the second round. The fact that two starters were missing didn't help the team. Although only two minutes were remaining in the fourth quarter and Rosemead was down by seven, they were able to tie and go into overtime. The Panthers, though, came out victorious by five points. This game was the toughest and most exciting the sophomore basketball team has played during this year. The captains of the team were Gil Jimenez and Carlos Lopes.

Some outstanding players included both the team captains and Jeremy Lopez on defense and Cuong Tham on offense. The girls were competitive in every game and produced the best record of the past five years." Undoubtedly, the most exciting game of the year was the overtime win over defending league champs Mark Keppel. Another close game was against Bassett, where after a close game the outcome was determined in the last five seconds. JV BASEBALL
WINS FIVE OUT OF FIRST SIX

"I think we have the potential of being towards the top of the league standings and maybe even taking the championship," commented J.V. player Mario Ramos. With such enthusiasm the J.V. Baseball started this season with a record of 5 wins and 1 loss. The loss to Arroyo was their first of the season, but that didn't seem to dampen their spirits. The Panthers went on to defeat the Mountain View by a score of 7 to 2. Some of the outstanding players were Pitcher Mike Martinez, centerfielder David Duarte, and shortstop Andy Sanchez.

Members of the J.V. Baseball Team were: Top row: Coach Gilbert Adame, Jim Heflin, Mike Martinez, Ruben Cardenas, Mark Valdez, Craig Gill, Coach Jim Erwin. Middle row: Luis Muro, Jeff Frisk, Danny Goodoy, David Duarte, Greg Wasilewski, Ralph Bustillos. Bottom row: Mario Ramos, Ismael Flores, Andy Sanchez, Ricky Hernandez, Efren Benites.

2. Ismael Flores shows his batting ability.

FROSH TEAM POTENTIAL SHOWS

"I think the team is very inexperienced and could use alot of work to be in the race for first, second or third." commented Coach Danny Del Castillo. One of the most exciting games was the first game of the season against Bosco Tech. The team won 13 to 4 which gave the team more confidence. The season record at this time was 1 win 2 losses 1 tie. Some of the outstanding players included Greg Regalado and Gabriel Carrillo. With a little work the freshmen Baseball team could do well in playings.

BADMINTON IN CONTENTION FOR LEAGUE TITLE

Varsity Badminton Coach Adrian Rodrigues remarked that this year's team is strong and has a very good chance of winning the league title. With a present league record of three wins and one loss, they may very well do so. Led by two outstanding singles players, Jenyne Condon and Yiuman Tam, the varsity team finished preleague competition with a winning record. One of their most exciting games occurred against Alhambra High School. The two teams played closely, causing a tie to result in the overall score until the very last match. In this, the mixed doubles match, Rosemead prevailed and clinched the victory.

The Junior Varsity Badminton team started the season very successfully, winning seven games and losing only one. The team hopes to continue to do well in league competition. In an exciting game against Mountain View High School, the score was seven to nine with Rosemead behind. The Panther's three mixed doubles teams proceeded to win their matches and, thus, gained the overall victory for Rosemead. Some of the outstanding individuals included Joe Chantharath, Amy Nguyen, Raquel Villanueva, and Sin Cheng.

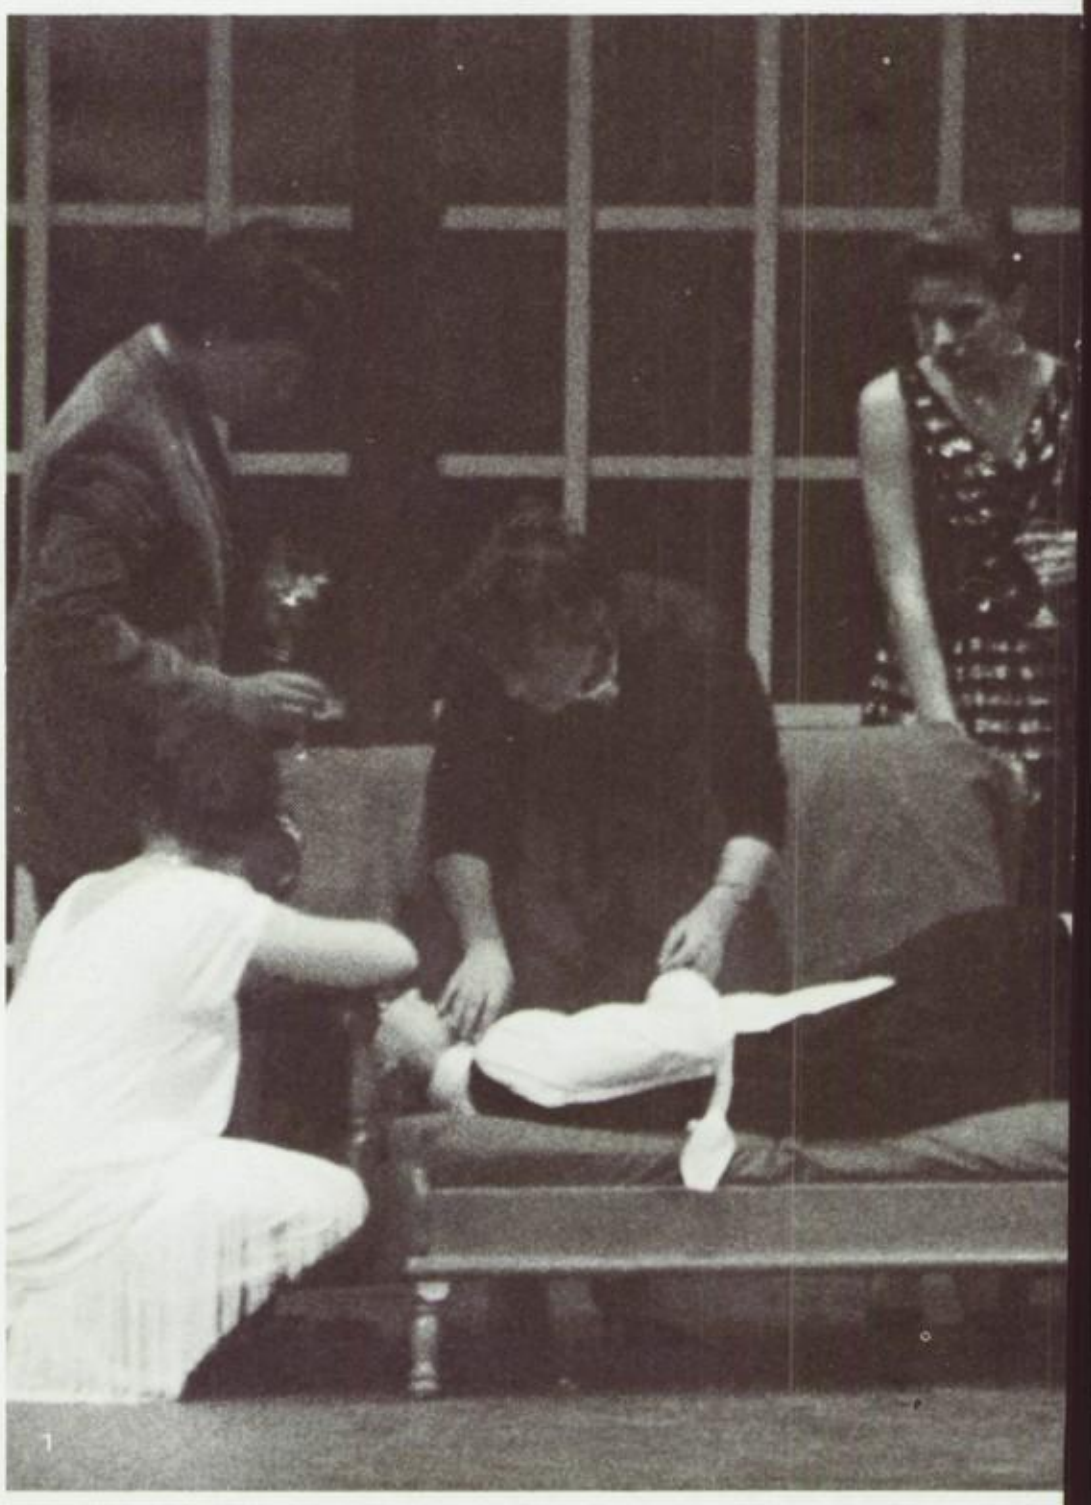
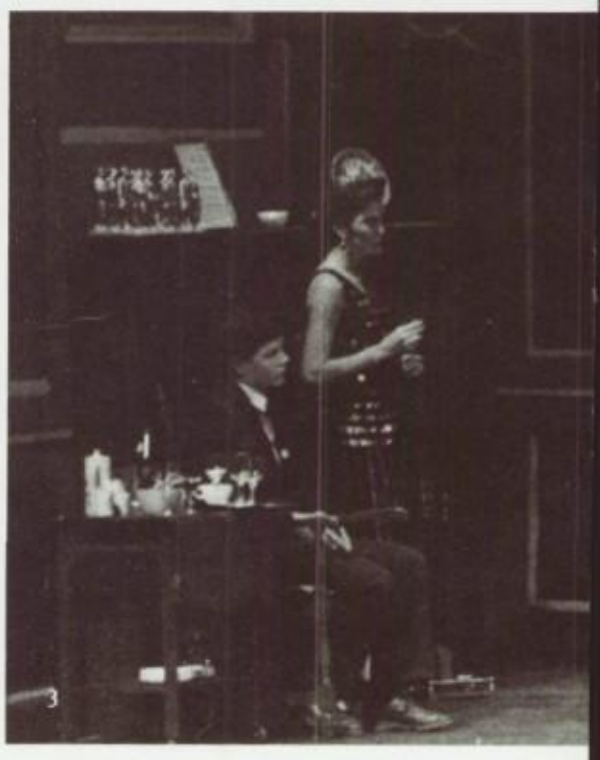
Thespians Present:
And Then There Were None

On Thursday, November 15, 1985, the Rosemead Thespians presented Agatha Christies' "And Then There Were None" for their annual production in the Auditorium. The plot concerns an old man who owns a mansion on an island somewhere off the coast of Devon, England. The man has invited ten people to be guests at his home for the weekend. Surprisingly, however, none of them can recall ever having met him before, nor do they ever see him during the course of their stay! But no matter, they are enjoying their "holiday"-or so they think. Enjoyment turns into terror when the guests begin dying one by one, each in a horribly gruesome manner, until only two are left - each suspecting the other of mass homicide.

1. My gosh, is she dead?
2. Hey, What's Happening?
3. Please leave can't you see I have two girls with me.





1. Hey baby, how about a date?
2. You mean I have to read this line, how disgusting.
3. This is boring, isn't it.

BOO!!! ITS HALLOWEEN

Trick or treat smell my feet, give me something good to eat! What a fun way to welcome in the Halloween spirit! Especially at Rosemead, where students got a chance to expand their creative minds by dresing in outrageous outfits. Some people dressed up but weren't recognized as being dressed up! But, on the lighter side of things; many dressed in funtime Halloween attire! Some good-spirited students paraded around campus receiving whistles and gestures. But everyone had a taste of fame during lunchtime where the annual Halloween parade was held at Panther's Square. Winners included: Herb (Richard Beserra), a parrot (Alfonso Arteaga), and the Hawaiian Punch Box (Alberto Reano). Thank God the Madonna wanna-B's didn't win!

GIRLS LEAGUE PRESENTS

"TOGETHER AS ONE"

Girls League held their annual Backwards Dance on November 27th. The theme was "Together As One" and it was held in the Rosemead gym. The night was full of joy and excitement with everyone dancing the night away with the music played by the band Time Warp. Dancing was not the only activity that evening. Couples found walking around the dance floor not holding hands were thrown in jail while Mr. Jan Herzog and Mr. Monk Smith were in charge of marrying couples. There were also hearts on the walls with couples names printed on the hearts. The Dance was attended by nearly 175 couples and as the evening got close to an end, senior Alan Martinez was announded our 1985-86 Backwards Dance King.

1. King. Alan Martinez is crowned.

'TIS THE SEASON 1985
CHRISTMAS ASSEMBLY

On December 19th the Music Department's Christmas Assemblies and Concert were held. Mr. John Hensley directed the Panther Band, and Mr. Larry Callaham directed the A Capella Choir, Music Company and auxilliary groups. The Choir was accompanied by Joanne Chang, and several songs were choreographed by Miguel Alejandre. The many solos and duets were sung by David Avalos, Richard Beserra, Frank Cruz, Chris Larson, Tracy McClland, Sandy O'Donnell and Tania Villabazo.

Everyone involved rehearsed very hard all Fall to give the Student Body a colorful program of well-known Christmas music. Scenes ranged from the singing of carols around a Christmas tree to a visit in Santa's workshop and hobo camp. Each program ended with the now traditional singing of carols by the Band, combined Choral Groups and audience.

ART STUDENTS EXPRESS THEIR VISUAL CREATIVITY

Each year the Los Angeles County Fair houses an art exhibit of student creations from schools throughout the county. For the past several years, Rosemead High School students have won awards for various categories of artwork.

Last summer, the art students continued their award winning, as Chih Huynh won First Place for his ceramic sculpture of a leopard. Quyen Ly also won 2nd Place for a metal etching and Linette Vaughn won 3rd Place for etching also. Renee Hasdale earned an Honorary Award for her photograph of a football player. Altogether Rosemead art students won a total of seven awards. Many other projects by our students were in the exhibit.

Award winners at the Los Angeles County Fair were: Top Row: Little talent but tried, Jaime Varela, Matt Grover, Pheng Ngo, and Quyen Ly. Bottom Row: Don Bueno, Theresa Merenda, Miguel Alejandre, Linette Vaughn, and Chi Huynh.

DONKEY BASKETBALL GAME
FACULTY DEFEATS UNDERCLASSMEN

What has six legs, brays (that is, makes the sound "hee-haw"), and can shoot a basketball? It's a student or faculty member and his donkey participating in the annual Donkey Basketball Game! This contest, combining horsemanship (or "donkey-manship") and basketball skill, pitted the Rosemead High School faculty against the students in a basketball game like no other. The rules were similar to those of any other basketball game — save for a few minor changes: before moving, passing, or shooting, one was required to be seated upon his or her donkey. Needless to say, this little detail made things a bit more difficult for the players. And the difficulty was compounded since the animal the players had to maneuver around the basketball court was a donkey, the reputedly stubbornest animal in the world. The brave, and foolish, souls who participated in this crazy contest were, for the faculty, Miss Jonsson, Mr. Taite, Coach Hall, Mr. Smith, Mr. Nichols, Coach Adame, Ms. Lawry, Danny DelCastillo, and Mr. Danny Martinez; and, for the students, Alfonso Arteaga, Trishell Young, Lorena DeAnda, Melinda Benavidez, Chris Brooks, Khanh Bui, Edmon Soliman, Scott Bland, and Sally Hines. Amidst all the humor and hilarity of the game, each side still wanted to win. This fact was seen in the close halftime score of 22 to 20 in favor of the faculty. The serious and competitive nature of the game ultimately gave in to humor as student and faculty players alike hilariously struggled to move their donkeys and, at times, fell off them. At the end, the faculty prevailed over the students by a score of 66 to 51. The game was a sight to see, one that would surely make James A. Naismith turn in his grave. (For you non-trivia buffs: Naismith was the inventor of basketball.)

2. Miss Lawry gets a lift from Mr. T.
3. Chris Brooks shows that this donkey is no Mister Ed.

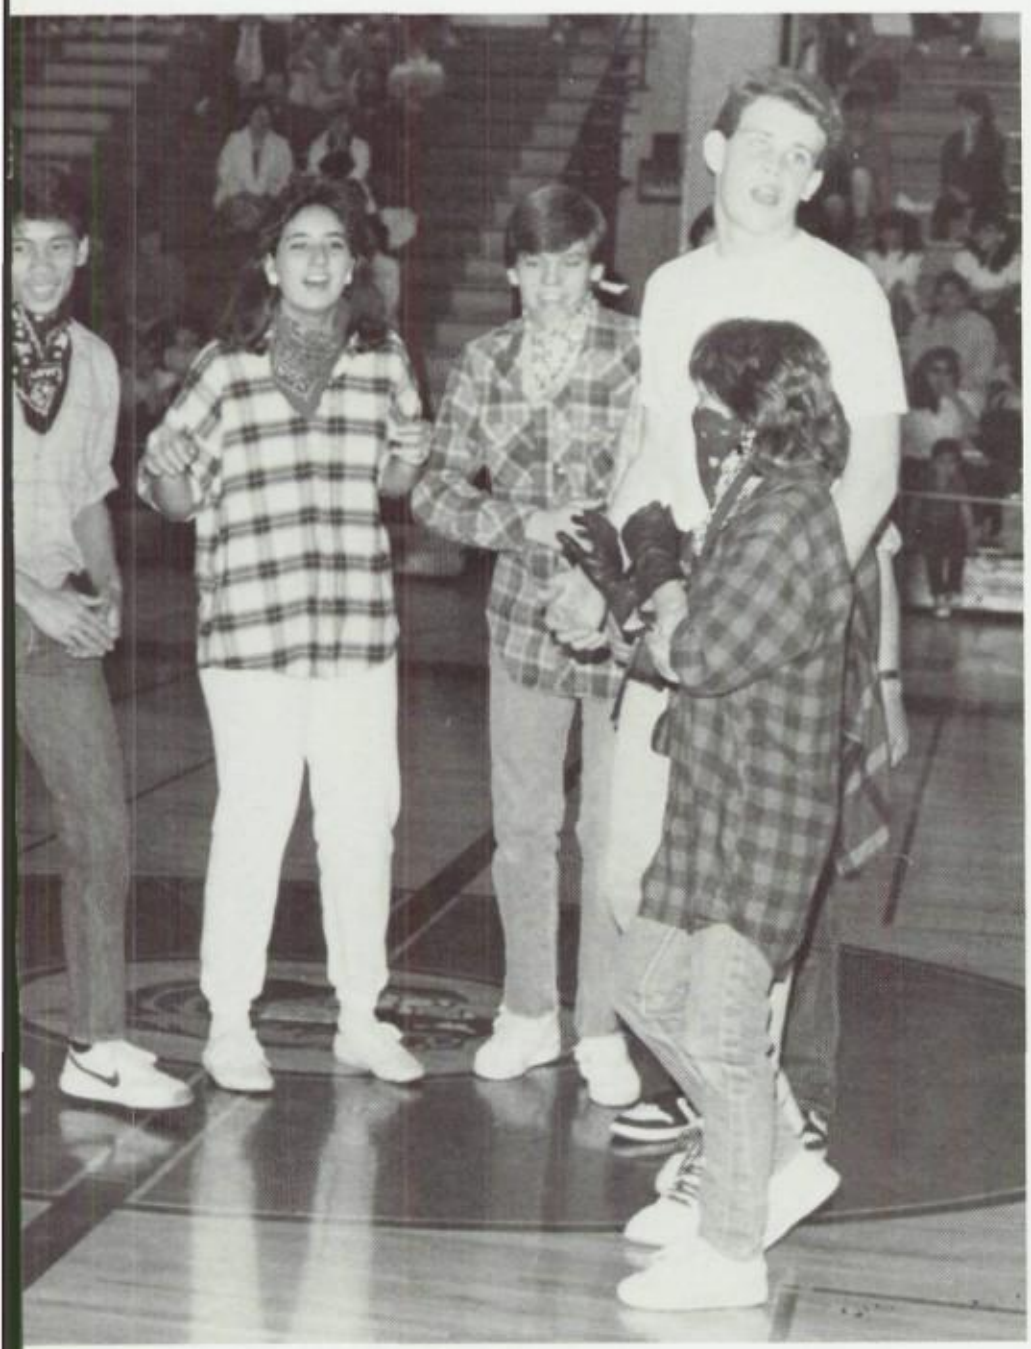
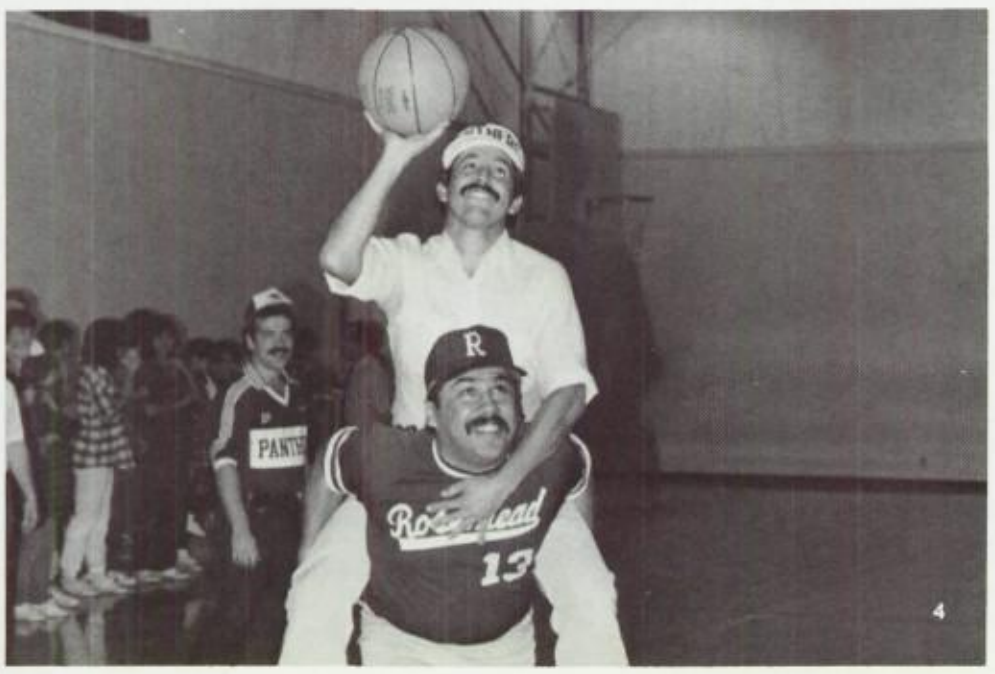
3





1. Pay no attention to the spot.
2. Mr. Hall strains to get the ball.
3. Lorena De Anda attempts to block the ball but with no help from her four-legged friend.
4. Can you find the donkey in this picture?

MAROON AND GRAY GAME
A BIG VICTORY

Maroon and Gray Week was filled with many fun activities. For instance, the student body enjoyed a variety of lunch time amusements. Class contests were held pitting the freshmen against the seniors in such competitions as the toilet paper wrap and the water balloon toss. Also during lunch was the annual Mr. Legs Contest. Here, the best-looking legs of our male students and teachers were the main attraction. Eric Espinal was the winner of the Mr. Legs Contest. At the week's end, the band and cheerleaders performed for the students at the pep rally.

That night, the Rosemead Panther basketball team played against the Flintridge Prep Rebels in the Maroon and Gray Basketball Game. The Panthers played extremely well. With less than two minutes left remaining, Larry Samarzich put in the game-winning shot for a final score of 51 to 50 in favor of the Panthers. It was an exciting conclusion to an exciting week.

PRINCIPAL
DR. E. TERRY IRVINE

When I arrived at RHS as a new principal in 1966, I really didn't know what to expect. Now, twenty years later, as I reflect on my experiences, I can especially recall walking through the halls of the administration building, visiting classrooms, "Big R" assemblies, football games, band reviews, pep rallies, all-school plays, our choir singing Christmas carols through the halls, spring musicals, meetings with the student senate, reading the "Panthers Tale," evening PTA meetings, faculty luncheons, and so many more wonderful thoughts! But I especially savor the day-to-day opportunities I had to talk with our students.

As I leave these hallowed halls of learning, I would like to leave some thoughts behind. May Rosemead High School be as pleasant and enriching a place for students to learn in the years to come as it had been in the past. I will indeed keep close to my heart all of the fond memories. To my "fellow classmates" of '86, may I say, always remember the words from our Alma Mater "Where Maroon & Grey Mean Honor."

Wherever you go, whatever you do, strive to bring only honor to yourself and to Rosemead High School. God bless you!

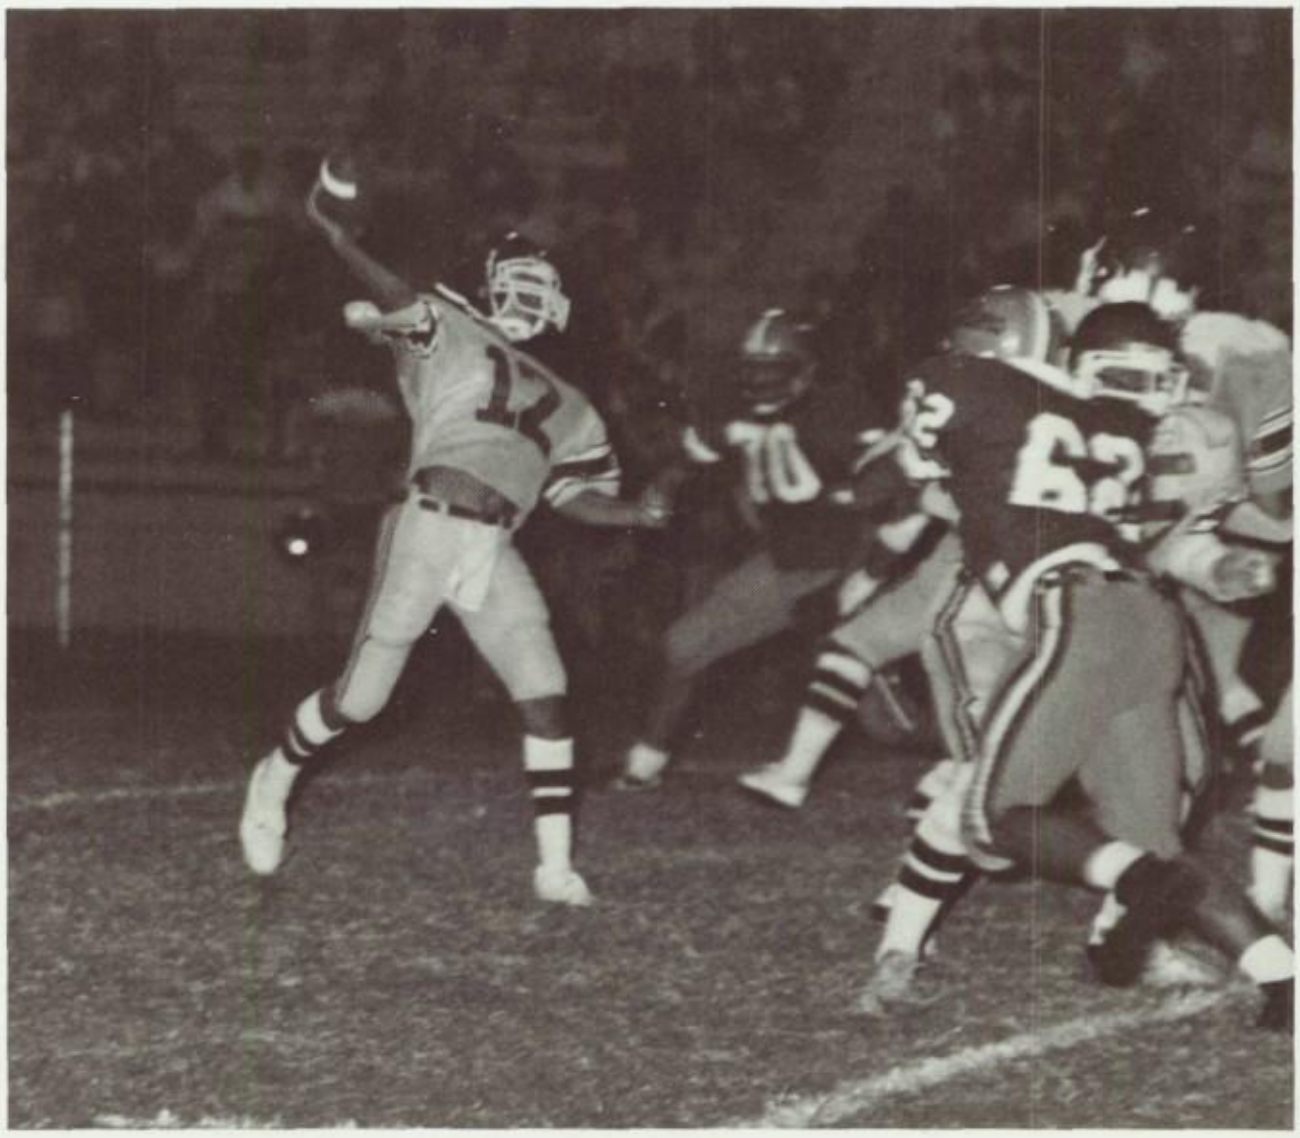
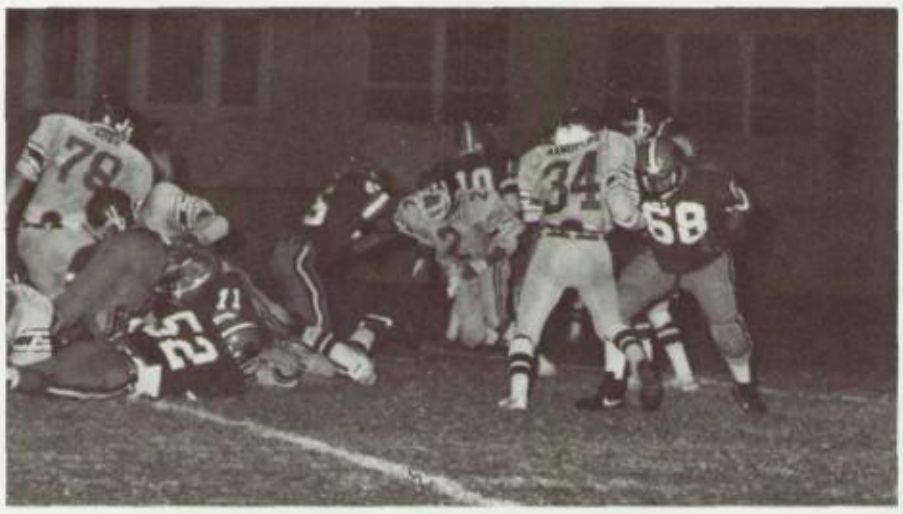
CIF

FOOTBALL TRAVELS TO APPLE VALLEY

Rosemead High's Panther football team played a great season, making it to the CIF playoffs. They placed second in Mission Valley League, with three wins and two losses. As a second place team, they travelled to Apple Valley High School, a highly ranked team. According to Coach Dunaway the trip to and playing in a nice stadium was a valuable experience.

The football team played extremely well. Although they lost, 41 to 15, it was still a great game. Their best effort was put into the game and although the game was lost their pride was not. Robert Cantrell, Henry Chavez, and Sean Moore all did well. Cantrell, Rosemead's running back scored from three yards and backup quarterback Frank Martinez hit receiver Wallace Gonzales for the two point conversion in the first quarter. The score gave the Panthers an 8-7 lead. For the remainder of the game Rosemead was unable to stop the opposing team's running. The game was not a total loss and was viewed by Coach Dunaway as "A great experience for a young team."





RUNNERS GO TO PLAYOFFS

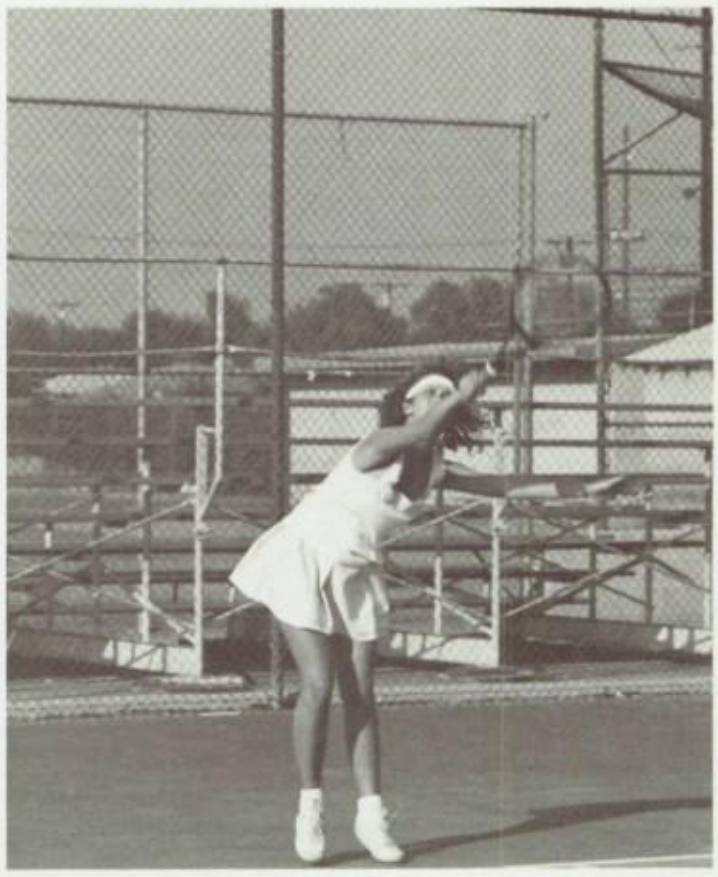
This year's Cross Country team did very well at Mt. Sac, placing ninth in CIF. The boys made it to CIF finals for the third time in four years. All the runners were outstanding and all did very well. One runner, Aaron Mascorro, commented on how he did saying, "CIF was fun. I could have had a better day, but I did my best." With a look of wistfulness in his eyes added, "Next year!"

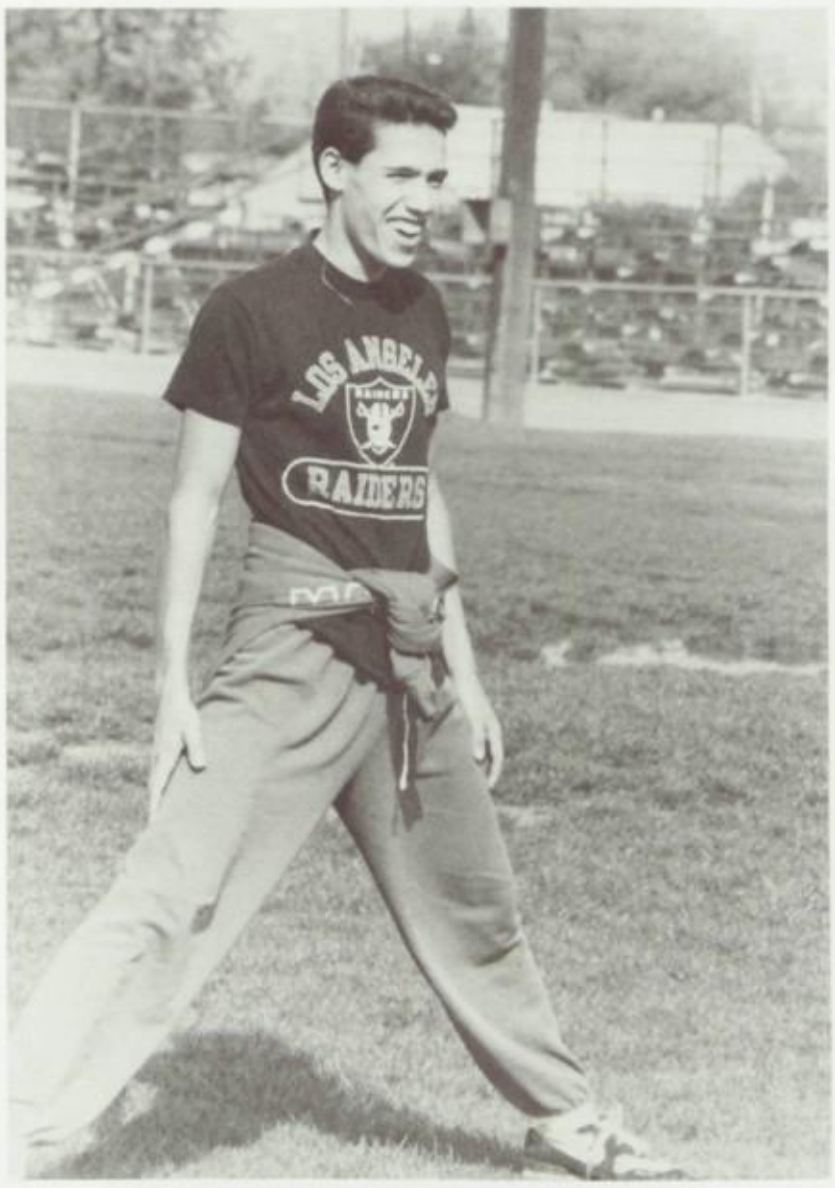
Girls' Cross Country also did outstanding, reaching the CIF preliminaries. They missed going to the finals by two points by placing fifth out of 12 teams. This year was the first time in seven years that the girls did not make it to the finals. They have been Mission Valley League Champs for the last seven out of 8 years. Wednesday Guerrero stated, "It was fun competing for our school and I'm glad we did well!" Coach Jose Marquez, grinning proudly, summed it all up by saying, "The hard work of the runners paid off."

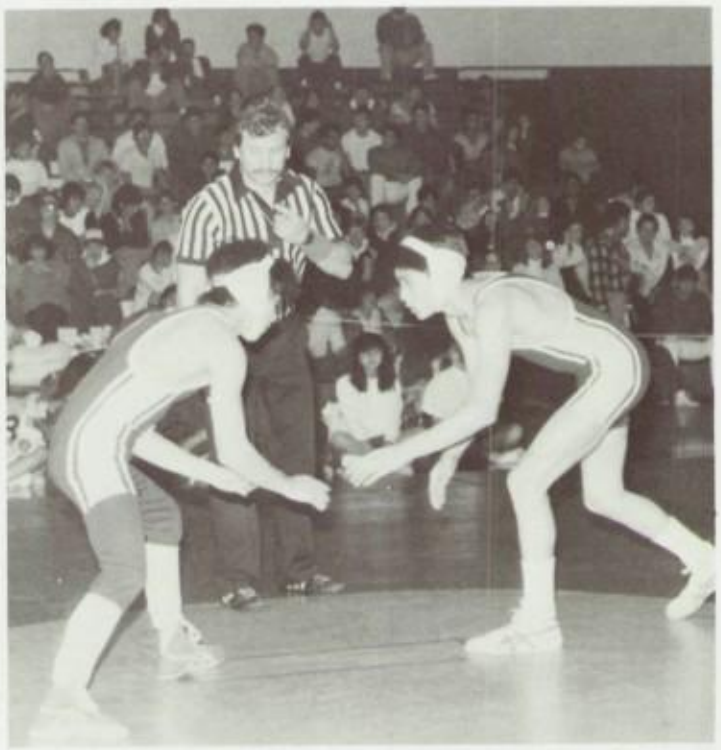
3A WRESTLING SCORES

1.	ROSEMEAD	172½
2.	VICTOR VALLEY	123½
3.	WEST TORRANCE	111
4.	KEPPEL	108
5.	CAJON	98½

The Sports teams that made it to CIF included: Tennis, Cross country, and Wrestling. They earned the right to compete in post season competitions after strong league placings. Boys Cross country did exceptionally well in preliminaries and made the finals held at Mt. Sac.







CIF CHAMPS WRESTLERS SET TEAM RECORD

Awesome! Power! Stamina! Desire! These are four of the words that define the Rosemead Wrestling team. Capturing the CIF 3A title at Redondo Beach High School, Rosemead set a new record for scoring. Altogether eight of the Rosemead wrestlers qualified to go on to the Masters meet which would qualify them for the State meet. In a great team performance, the wrestlers put it together on the most important day to shatter the team scoring record for the 3A division. Competing against schools much larger in enrollment Rosemead had its best performance of the year. Marty Kouyoumtjian said "The beginning of the year was tough, but the end of the season we pulled it off by winning CIF". Louie Madrigal said "Many people counted us out this year but the coaching staff and the wrestlers always believed in themselves and knew what we could accomplish".

Laughing, singing, things to say
Seeing each other every day.
Sometimes nagging, sometimes bragging.
But always having fun.
Through the rough times
And through the bad.
Trying to remember
The good times we've had.
Our love for one another
Will be the only thing.
That, at the end of it all, we will cling.

MEMORIES OF OUR SENIOR YEAR

Thinking back through the long four years
Of friendships, bliss, and pressure-peers,
Dates, parties and the newest trends,
Cruising around with our closest friends,

Making comments, jokes, and memories
Exposing our personalities that everyone sees.
Growing older, wiser and more mature
From the wild and crazy to the calm and demure.

We've learned some sad lessons from these years
Sometimes slowly and sometimes with tears
But now as the year comes to a close
We think only of friends and not of foes.

Our lives have grown at RHS
And our high school years we are sure to miss
The title of "SENIOR" lasts only a year
But all our remembrances we will keep dear.

These are memories we always will share
Even though next year we won't be there
But deep in our hearts we'll remember with caring
These four years past of growing and sharing.

Presented by the Senior Class of 86

Sometimes we wonder why we ever took the positions of Editors. Insanity? Insecurity? We think not. Whether it's spending your summer at yearbook camp or coming up with creative ideas until your brain hurts, we've done it all. In our year as Editors we have been harassed, criticized, and sometimes we had to be a little callous with the student body as well as teachers. But we hope they understand the great length of work put into the yearbook. We do this not only for the glory, the fame, and the power, but also for your benefit thus creating a great yearbook. So we hope you enjoy this yearbook because we put alot of time and effort into it. We had a marvelous, excruciating, burgerless, fabulous, great time this past year on the Pantherama Staff. Thank you for your cooperation. We will never forget the experiences we had, the dreams we shared and the great friendships that will last a lifetime.

Love Val. Disco sucks. Kathryn Taylor is still a babe.
This year is over, huh? Well it was a good year if you put aside our little fights. The good thing is that we've got friends. Cool. We think you're fun when we get drunk and our friendship was pretty good. Valerie, you're a cool girl I've known for a long time. It's been cool knowing you. Have a rad summer and remember Ray loves you.
